Dear Msgr. Dempsey:

Please let me express to you my most sincere thanks for St. Patrick Church's contribution of \$2,668.00 as a part of our annual Baby Bottle Campaign. Your parish's generous support provides essential funding for our pregnancy care centers and residential programs.

With your support, Aid for Women reaches thousands of women each year in the Chicago metropolitan area. Each woman is given the emotional, practical, and spiritual support that she needs to choose life for her unborn baby and provide a better future for herself and for her child. At our residential programs, Heather's House and Monica's House, we offer moms a safe and nurturing home where they can live with their children, while developing the education and life-skills necessary to become independent, self-sufficient mothers.

Please continue to pray for Aid for Women, that we might have the resources necessary to serve the men, women, and families who seek our help. The need has never been greater.

Once again, thank you for partnering with us in our mission of empowering women to choose life. May God continue to bless and keep you.

For Life,

**Susan Barrett**  
Executive Director
