From The Desk of Fr. Patrick

My Dear Brothers and Sisters in Christ,

On the First Sunday of Lent, the Church invites us to reflect on the Gospel of **Gospel of Matthew 4:1-11**, where Jesus is led by the Spirit into the desert and is tempted by the devil. For forty days and forty nights, He fasts and prays. In His hunger and weakness, the devil approaches Him. Yet Jesus responds not with anger or fear, but with the Word of God.

This Gospel reminds us that Lent is our desert journey. We, too, experience temptations, comfort without sacrifice, success without integrity, pleasure without responsibility. Jesus shows us how to remain faithful: by staying close to God.

The first temptation is about bread. Jesus is hungry, and the devil tells Him to turn stones into loaves. But Jesus answers, *“One does not live on bread alone, but on every word that comes forth from the mouth of God.”* In daily life, we may be tempted to focus only on material needs, money, comfort, entertainment, forgetting that our souls also need nourishment. Prayer and Scripture feed us in ways that food cannot.

The second temptation invites Jesus to test God’s protection. How often do we demand signs from God? We may say, “If God really loves me, He will fix this problem immediately.” Jesus teaches us trust instead of testing.

The third temptation offers power and glory. In our world, success and recognition can become idols. But Jesus firmly responds, *“The Lord, your God, shall you worship and him alone shall you serve.”* Lent is a time to examine what we truly worship.

One time, my dad called me and said, “Patrick, I would like you to drink a lot of BEER this Lenten season.” I told him that I do not drink beer, but he answered me in a different way explaining what he meant:

B- Bible: Read the Word of God more often.

E - Eucharist: Receive the Eucharist as frequently as possible.

E - Empathy: Be compassionate and understanding toward others.

R - Reconciliation: Be reconciled with God and others, especially through the Sacrament of Confession.

That simple acronym changed the way I see Lent. Instead of focusing only on what we give up, we focus on what we grow in. The Church gives us four pillars to guide our desert journey:

Prayer – Try to pray a little more. Attend daily Mass if possible. Spend quiet time before the Blessed Sacrament. Participate in the Stations of the Cross. Prayer strengthens us against temptation, just as it did for Jesus.

Abstinence – Catholics age 14 and older abstain from meat on Ash Wednesday, Good Friday, and the Fridays of Lent. Abstinence teaches discipline and reminds us that we do not live for food alone.

Fasting – Fasting means eating less or giving up certain foods or comforts. It helps us detach from excess and depend more on God. **Almsgiving** – Lent calls us to generosity. Share your time, talent, and treasure. Help someone in need. Visit the sick. Support the poor. Charity opens our hearts.

At the end of the Gospel, after the temptations, the angels come and minister to Jesus. When we resist temptation and stay faithful, God strengthens us. Lent is not about sadness; it is about renewal. It is about becoming better people, closer to God, and more loving toward others.

As we begin this holy season, may we walk with Jesus in the desert. Through prayer, sacrifice, and charity, may we grow stronger in faith and remain always close to the Lord. Amen.

-Fr. Patrick

Scripture Questions of the Week

First Reading:

Genesis reveals that from the beginning the serpent (the devil) desired to lure and trap us into disobeying God. *Can you think if some lies the serpent is telling people today?*

Second Reading:

Paul argues that Jesus' obedience to God brought us the gift of freedom and life. *How do you see yourself obeying God?*

Gospel:

The season of Lent begins each year with the story of the devil tempting Jesus in the desert. *As we begin the 40 days of Lent, what temptations are you willing to confront?*

Religious Education

As we begin to prepare for next school year, our parish is contemplating some changes in Religious Education to respond to the needs of many of our families. I know that our Monday classes remain popular, but I also realize that working parents may have difficulty getting to those classes on time. As a result, we are considering changing our Tuesday classes to a different day or time. If you are a parent with students in grades Kindergarten through 6th grade, who would be interested in having your child in religious education in the future, we invite you to fill out this survey. This in no way commits you to the program or the session, but will help us to make an educated decision about these changes.

You can complete the survey by scanning the QR code.

2026 Annual Catholic Appeal

The Annual Catholic Appeal theme for 2026 is *Together we bring light*. It stems from Jesus' words to his early disciples and to us: "You are the light of the world." (Matthew 5:14) We understand our responsibility to bring light to a world that seems often covered in darkness. Contributions to the Appeal enable us to bring light to those in need. We do not do this alone but together as the Body of Christ. Our Church finds the fulfillment of her mission when we support the Appeal and the ministries of teaching, sanctifying, and bringing pastoral care to those in need. Truly, together we do bring light.

Please consider supporting this year's Appeal. Your generous contribution will be a source of blessing for many people, for yourself, and for your loved ones.

Disciple Maker Index Survey

St. Patrick Church is partnering with Catholic Leadership Institute for the Disciple Maker Index survey. Our parish is on a journey to know, love, and serve Christ as a parish community. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

The very first step in this process involves assessing our greatest strengths and opportunities, and that is where the Disciple Maker Index (DMI) comes in! The DMI is an important survey tool that invites you to reflect on your discipleship journey here at St. Patrick Church.

Take the DMI survey today.

- Your input helps strengthen our parish.
- Results help leadership prepare for the future.
- A report of the findings will be shared in the coming months.

The **10-15-minute survey can be accessed through an online link through March 29** and will ask you to reflect on your own spiritual growth and enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ. All responses will be confidential, and the parish will only receive information about the community as a whole. We will share the link with you a bit closer to the launch of the survey. Paper surveys will also be available for those who do not have the ability to complete the survey online.

At St. Patrick Church, we are blessed in so many ways. Together, we will identify our strengths and opportunities in greater detail as we strive to grow in missionary discipleship.

Please continue to pray for this intention and for the growth and protection of our parish.

Statement of Cardinal Blase J. Cupich, archbishop of Chicago, calling for an apology from the White House for a racist social media post

February 9, 2026

Portraying human beings as animals – less than human – is not new.

It was a common way in past centuries for politicians and others to demean immigrant groups as each arrived, the Chinese, Irish, Italians, Slavs, Jews, Latinos and so on. Cartoons, “news” articles, even theatrical productions carried the message that these “others” were worthy of ridicule.

It made it easier to turn a blind eye to their privation, pay them pitiful wages and mock their “foreign” religion even as the country needed their labor. It immunized the national conscience when we turned away shiploads of refugees, lynched thousands and doomed generations to poverty.

We tell ourselves that those days belong in the past – that even sharing that history is harmful to the fantasy of equality we strive to create.

A few days ago, we saw that in the White House such blatant racism is not merely a practice of the past. If the President intentionally approved the message containing viciously racist images, he should admit it. If he did not know of it originally, he should explain why he let his staff describe the public outcry over their transmission as fake outrage.

Either way he should apologize. Our shock is real. So is our outrage. Nothing less than an unequivocal apology – to the nation and to the persons demeaned – is acceptable.

And it must come immediately.
