

Ministers of Care – Bringing Christ’s Love to the Homebound

The Catholic Ministry of Care is a beautiful way our parish shares Christ’s love with those who cannot be with us at Mass. Ministers of Care visit parishioners who are homebound, in the hospital, or in care facilities, bringing prayer, companionship, and the gift of the Eucharist. In these sacred encounters, people are reminded that they are valued, loved, and never forgotten by their parish family.

This ministry is rooted in Jesus’ words: “I was sick and you visited me” (Matthew 25:36). When we reach out to others with compassion, we are truly serving Christ Himself. The ministry keeps our parish connected, even when illness or age prevents someone from physically gathering with us.

Ministers often discover that they receive as many blessings as they give — a deeper faith, a grateful heart, and the joy of sharing Christ’s presence. Many say that these visits become holy moments of grace and friendship, where Christ is present in both the giver and the receiver.

If you feel called to this ministry, we would love for you to join us. Your presence can bring comfort, hope, and God’s love to those who need it most. To learn more — or to request a visit from a Minister of Care — please get in touch with the parish office.
