Heather's House & Monica's House: Many women consider abortion because they lack adequate housing or will otherwise be homeless if they choose life. The mission of Heather's House & Monica's House is to support women in difficult and unplanned pregnancies by offering them a safe and secure home where they can live with their babies. Heather's House & Monica's House are more than shelters, they offer mothers an opportunity to develop the life and job skills necessary to become financially independent and loving mothers.
